EASY FOR HUSKERS

Nebraska Defeated Washburn by Overwhelming Score.

The Odds Were Too Great for the Game Ichabods.

Lincoln, Neb., Oct. 18.—When the beefy Cornhuskers defeated Washburn college here Saturday afternoon by the overwhelming score of 47 to 0, everybody was expecting the victory, but no one was expecting it to be as big as it was.

A muddy field gave the heavier Nebraska quite an advantage, and with everything else against them, the plucky Ichabods never had the remotest chance of winning.

In fact, Washburn never had but one chance of scoring. Recovering Nebraska fumble on the Huskers' 20-yard line, the Ichabods pulled a forward pass that netted 10 yards. Then Captain Beas faked another pass that enabled him to plant the ball on the 5-yard line. But three attempts to cross the last chalk mark on line plunges failed and Nebraska recovered the ball on downs and punted out of danger.

A Clean Game. The game was one of the cleanest that was ever seen on a local gridiron. Only three penalties for off sides were enforced during the entire game and all of them were against Nebraska. The Ichabods were not only outwitted, but were also outclassed in speed and in interference work.

Coach Stiehm's warriors displayed a more brilliant offense than they have at any time this season. In the first four minutes of play they marched down the field for a touchdown, going over for the first score.

During the first half the Ichabod players seldom got a chance to see anything as the Huskers kept the ball in their possession most of the time. It was one grand march after another goalward.

Huskers Used Subs. After the first quarter the Huskers began to use substitutes and in all had 32 men in the game. Washburn relied mostly upon forward passes that were ineffective and seldom completed, while the Nebraskaans played the plunging and end running game almost exclusively. The line up and summary:

Head linesman—W. A. Kearns, Bellevue college.

Normals Beat Aggies. Emporia, Kan., Oct. 18.—On a muddy gridiron, the football team of the Kansas State Normal defeated the Kansas State Agricultural college, 13 to 0 Saturday. The first touchdown came in the third quarter, after an end run by Laderd. Goal was kicked.

The Aggies opened a desperate attack in the last quarter, making first down five times in succession. An intercepted forward pass was their undoing when Shupe caught the ball meant for a distant Aggie player and raced seventy yards to the 10-yard line. Stites scored and goal was missed.

Southwestern 3; Fairmount 0. Wichita, Kan., Oct. 18.—Hanta's place kick from the 25-yard line shattered the hopes of Fairmount college for state football honors and sent Coach Buck's proteges down to a 3 to 0 defeat before Southwestern college of Winfield here Saturday.

Silver Lake Ties Parkdale. The Silver Lake and Parkdale football teams played a 6 to 6 tie Saturday afternoon at Silver Lake. The feature of the game was the penalizing of the Parkdale team. Any team 150 pounds or under desiring games with the Parkdale eleven is asked to call Charles McCallen, captain, 1114 East Eighth street, 2079 Red, or Harry French, assistant manager, 1513 East Tenth street, 4453 Red.

K. U. WAS STRONG

Jayhawkers Defeated Drake by Large Score Saturday.

Coach Stiehm Pronounced Olcott's Men Dangerous.

Lawrence, Kan., Oct. 18.—With flashes of brilliant offensive work and a stubborn defense the Kansas Jayhawkers were able to dispose of the Drake Bulldogs Saturday afternoon on McCook field by a score of 30 to 7. Except for a few minutes at the start of the first quarter and a short spurt in the final period the Drake team was clearly outclassed. The Kansans were swiftness in starting their march toward the Bulldogs' goal and the excellent punting of Bunz, the Drake right guard, kept off a Kansas score until ten minutes of the first quarter had passed.

But the Kansas offense was too powerful for the fighting Drakes. An intercepted forward pass by Lindsey gave the Jayhawkers the ball on Drake's 40 yard line. Successful plunges by Lindsey, Wood and Reber put the ball in position for a 21-yard drive to the first touchdown of the contest. Strothers kicked goal and the Kansans were off with a 7 to 0 lead.

This score seemed to dishearten the Iowa players and a few minutes later Lindsey and Wood negotiated the first successful forward pass of the season for a touchdown. Strothers again added a point by his goal and the score stood K. U. 14; Drake 0.

In the second period the Jayhawkers came within five yards of a touchdown and were only prevented from shoving the ball over by the timekeepers' whistle which ended the half. Captain Tony James of the Kansas team booted a field goal from the 25 yard line in this quarter, adding three points to the K. U. total which was 17. L. Gillespie's run of 70 yards to a touchdown in an intercepted pass in this period was the feature of the game.

With the score 20 to 0 in their favor the Jayhawkers became careless and Lindsey permitted the Drake forwards to block a punt of the Kansas 10-yard line. It was at this stage that the Kansans showed some of the greatest defensive strength but the forwards were too quick in their charging and an offside lay was called. The penalty gave Drake the ball on the 4-yard line with four downs in which to make the distance. A plunge by Blackburn advanced the ball two yards and Brown, the Drake quarterback, wriggled through the K. U. line for his team's only touchdown of the game. Bunz added a point by kicking the goal. The final score was K. U. 30; Drake 7.

Keeling, the K. U. center, received an injured leg which may keep him out of the game for some time. Drake. Positives. Scoring: Touchdowns—B. Gillespie, Wood, Keeling, Reber, Brown. Goals from field, James. Goals from touchdown, Strother, 3; Bunz, 1. Time of quarters, 15 minutes. Officials: Referee, Northwestern; Umpire, Graham, Michigan; Umpire, Ruppert, Wisconsin; Field Judge, Cochran, Kalamazoo, head linesman.

From the Press Box. Kansas football followers who have not seen the K. U. team in action will be anxious to know just what the prospects for the season are. Here's the diagnosis as one Missouri Valley dopest, who has watched the game for many years, puts it:

"Right now, without any further development the Kansas team has a chance to stand one-two in the football race this year. If Coach Olcott can get his backfield men to charge harder and not quit fighting for ground until held down by six men of the opposing team the Jayhawkers will have a good chance against Nebraska. One of Coach Jumbo Stiehm's hobbies with his Cornhuskers is to have his backfield men charge in the most feckish manner. This terrific plunging is what makes the Nebraska team the scoring machine that it is. The Cornhuskers backs never stop going forward as they are always forging ahead. One thing noticed about the Kansas attack is that the backfield men stop too soon. They do not fight hard enough. If this condition can be remedied you never can tell what K. U. might do to Nebraska."

An interview with Coach Stiehm, the successful coach of the winning Nebraska Cornhuskers: (Before the game) Well, Coach, what do you think of the Missouri Valley situation this year?

"I do not know. I haven't anything to say about it."

Do you think Nebraska will be able to defeat Notre Dame? "That would be hard to answer." Are the Cornhuskers stronger this year than they were last? "Now, I couldn't say as to that. I promised myself that I would not say anything about the team." Do you think your team can defeat Washburn by 40 points? "Oh, no! Forty points is too much. It can't be done." (After the game).

Now that you have seen them work, what do you think of the Jayhawkers? "They have a dangerous team and they played good football this afternoon."

Do you think there is much improvement over the 1914 Kansas team? "Anyone can see that the team is much better than it was last year. Olcott has a great bunch of men to work with."

What do you think of Kansas's chances against your team this year? "Stiehm only smiled and that ended one of the most garrulous interviews the Nebraska coach has given out in some time."

While Coach Stiehm was looking over the Jayhawkers, Coach Olcott, the Kansas mentor, was sojourning in Columbia, Mo., where he was observing the antics of the Sooner-Tiger game. And by the way there was some wild flipping of the forward pass by the Sooner's Captain Geyer, of the Oklahoma team, is the most proficient forward passer in this section of the country and it will be the chief duty of the Jayhawkers to see that this gentleman does not get many chances when they meet his team. Oklahoma is the one stumbling block that the Kansans fear. If they can hurdle it with a victory they will be on their way smiling.

The Kansas defense against the forward pass is already pretty well developed as shown by the fact that Drake was only able to successfully negotiate four passes out of eleven.

There has been much said about the Kansas team abandoning the open style of play but Saturday afternoon showed a field goal from the 25 yard line in this quarter, adding three points to the K. U. total which was 17. L. Gillespie's run of 70 yards to a touchdown in an intercepted pass in this period was the feature of the game.
